

ROCKIN' AROUND YOUR FAMILY TREE

This year, we are offering chapters, organizations, and individuals the opportunity to sponsor sessions by our distinguished roster of presenters. Sponsorship of these sessions will be on a first-come, first-served basis. A list of

presenters will be available by the end of July 2023.

Each year, the annual OGS conference provides attendees the necessary skills to improve their research techniques and the opportunity to develop valuable contacts through various networking events.

Thank you for your interest! We look forward to your help as we discover Rockin' Around the Family Tree in April 2024.
