Dates: 1918-2001

Creator(s): Mary L. Ward (1909-2001)

Donor(s): Ashland County Genealogical Society, c/o Lutie Wolford.

Biography of Creator: Mary Lucile Ward (20 Nov 1909-28 May 2001) lived at 327 Ruth Avenue in Mansfield, Ohio. She graduated from Mansfield Senior High School in 1927—the first class to graduate out of the “new” high school on West Park Blvd. She attended Otterbein College in Westerville, Ohio and graduated from there in 1931 with a bachelor’s degree in elementary education. She taught school in Mansfield for 39 years from 1932-1971 with most of her time in 1st grade at Prospect School. She taught in the old 1893 building and was a charter teacher of the new 1950 Prospect building. Throughout her career she kept an album of class pictures from each year and meticulously marked all of them with names. In addition she kept a class roster or grade book page for each year. Miss Ward kept track of her students long after they left first grade. She collected 100s of newspaper articles on the engagements, marriages, and deaths of her former students. She also clipped any feature article about a new job or a new business; special interview or coverage; or any special interest story about her former students. She was also very active with the class of 1927 reunion planning committees and attended every class reunion. She was one of, if not the, last living members.

Scope and Content: This collection includes student and class photographs collected by teacher Mary L. Ward, who taught 1st grade at Prospect School, Mansfield, Richland County, Ohio. It

Also included in the collection are Mansfield Senior High School and Malabar High School class reunions, graduation programs and announcements, and related newspaper clippings. Other materials related to Ward's teaching career (faculty rosters and grade books) and her alma mater, Otterbein College, are also available in the collection.
