Title: Burkholder-Sturgeon Collection

Location: Ohio Genealogical Society, Lyle H. West Archives, 611 SR 97 W, Bellville, Ohio, 44813

Preferred Citation: Burkholder-Sturgeon Collection, MSS 329, box number, file number. Lyle H. West Archives, Ohio Genealogical Society, Bellville, Ohio.

Dates: 1880-2011

Creator(s): Ellamae Winifred Burkholder Sturgeon (1916-2011); Blanche Arline Burkholder Seidel Macy (1912-2009)

Donor(s): Hugh Winfield Sturgeon of Waterville, Ohio

Custodial History: The manuscript part of this collection was originally organized by his mother, Ellamae Winifred Burkholder Sturgeon (1916-2011). Over half of the photographs within the collection originally belonged to Blanche Arline Burkholder Seidel Macy (1912-2009). Since she had no children and no siblings, all of her papers and photographs were given to her first cousin, Ellamae Winifred Burkholder Sturgeon in 2009 (their fathers were brothers). Arline's collection was combined and interspersed with Ellamae's collection at the time of processing since the two Burkholder families overlapped significantly.

Scope and Content: This collection contains both genealogy research as well as family documents, correspondence, and photographs. Ellamae Winifred Burkholder Sturgeon had done extensive research on her father's (Burkholder) and mother's (Gottfried) family lines during pre-Internet times when most research was done by going to libraries and writing letters to people. Her paternal line is Burkholder and Edis, Smith and Tointon while her maternal line is Gottfried and Gottfried as her maternal grandparents were first cousins. The Gottfried portion of the collection is not as well sorted because the lines criss-cross so much. Additionally she had extensive research on her husband's family, the Sturgeons which trace back to Revolutionary war era in Pennsylvania. In addition to the family trees and family group sheets and files of

letters and notes, this collection also contains many personal items including various baptismal and confirmation certificates; diplomas; marriage certificates; and thousands of photographs.

System of Arrangement: Original order, photos moved to end of collection

Extent: 8 linear feet

Access: No access restrictions.

Language: English

Provenance: This collection was donated to the Ohio Genealogical Society by Hugh Winfield Sturgeon of Waterville, Ohio on April 22, 2011. The manuscript part of this collection was originally organized by his mother, Ellamae Winifred Burkholder Sturgeon (1916-2011).

Processing Information: Majority of photos identified by processor

Additional Notes: Because Ellamae also had inherited all of her first cousin Blanche Arline Burkholder Seidel Macy's photographs (See Custodial History). There were many duplicate and triplicate photos within the collection. Duplicate photos were returned to Allana Marie Hochberg, great-granddaughter of Ellamae Burkholder Sturgeon and to the families of distant cousins in June 2021.

The following photographs were moved to the Ohio Photograph Collection:
