Title: Betty Lue Jones Collection

Bulk Dates: 1960-2000.

Inclusive Dates: 1800-2000

Description: There are 26 boxes, 2 books, and 246 files.

Organization:

When this collection was donated to the Ohio Genealogical Society, it was organized in notebooks, with each notebook having a title, book number, and page numbers of the documents that were contained within that book. Since OGS does not file collections in notebooks, the folders in the boxes list the book number (and title if one was available) that the documents came from, along with the original page numbers of the documents that were in that book. This was done since this collection was indexed by the original compiler (Betty Lue Jones) and was therefore kept in the same ordering/numbering so it corresponds with her original index. However, **some numbers may be out of order** due to previous filming by another institution that failed to put things back in their original order. **Some numbers are also missing.** Where there are numbers missing, it is noted with an *asterisk in the organization section of this finding aid. This is primarily a one-name-study, therefore, the files labeled with just page numbers per Mrs. Jones' filing system concern the surname Dalby.

Scope and Content: This is an extensive collection about the Dalbey/Dalby/Dolby family. Note that there are multiple ways of spelling ‘Dalbey’. Other notable surnames are Baker, Dodson, Harvey, Hendricks, Hooper, Huber, Jones, Peavler, Ruff, Wilson, Brandt, Kepner, and Turner. This collection contains copies of birth certificates, death certificates, marriage licenses, newspaper clippings, and multiple correspondences with family members and others who helped aid Betty Lue Jones in her research. There are also copies of the newsletter that Betty Lue Jones published, *The Dalbey Newsletter*, and copies of United States censuses that contain the Dalbey name. Most censuses are organized alphabetically by state. There are many other valuable resources that are not mentioned here, it would be impossible to list them all here due to the large amount of content. For more information regarding the collection itself and its organization, please see the Deed of Gift and correspondence letters between OGS and the donor, Loretta Nixon, which are in front of file 1 in box 1. Boxes 21-26 are the index made by Betty Lue Jones.

Access: No restrictions.

Provenance: This collection was donated by Loretta Nixon, who is from Mapleton, Utah, on May 11, 2013. This collection was compiled by Betty Lue Jones and is a very extensive collection regarding the Dalby/Dalbey/Dolby family. Betty Lue Jones started writing the Dalbey newsletter in the 1970’s, so it is concluded

that was around the time she started compiling this collection. Much of the collection was filmed by the Church of Jesus Christ of Latter-day Saints and some point and portions may be available on FamilySearch. Betty Lue (Harvey) Jones, daughter of John Walter Harvey and wife Lula Charlotte Dalby, was born 9 May 1923 in Collyer, Trego Co. KY and died 23 Jan 2009 in Englewood, Arapahoe Co CO. She was married first to Henry Elmer Peavler Sr (1923-1953) and section to Stanley Jack Jones (1919-living).
